# CALENDAR AND SCHEDULING (COACH)

Calendar (Coach)

Calendar Push Notification (Confirm)

New Entry (Compose)

New Entry (Compose)

New Entry (Compose)

If the user is a coach, they will see the schedule overview for each of their teams, one at a time. They can tap on the grade link to switch between teams. They can choose to push the calendar to them teams by checking the corresponding box, pressing Send and confirming via the popup.

The coach can also view the schedule via list format, where they can either edit or create a new entry via the Edit and New buttons respectively. They can then select the required parameters on the on that entry page before. Once they tap the Create button, they'll be met with a popup window asking the to confirm.
